Zack is happy that he had an opportunity perform at DePaul as Aladdin in this year's recorded musical. He is an active participant in DP Voices as well as Music Ministry. He has been playing classical and new age piano for over 7 years and is very passionate about music and sports. For the past few years, he and his family have been traveling around the country visiting different MLB ballparks. Zack thanks his mom, dad, and grandparents for their unwavering support in everything he does.

In middle school, Tyler always participated in the school plays, and enjoyed it very much. Last year was the first time he tried singing, and joined DP Voices and the school musical. The best part about the school performances is getting to have fun with his friends and making memories. He wants to thank his family and friends for their support in encouraging him to always strive to be the best version of himself. He looks forward to his Senior year and the opportunity to participate in next year’s production.

This is Lauren's second musical production at DePaul, having played Little Red Riding Hood in “Into the Woods” (2019). She is a member of the National Honor Society, Music Ministry, and is a Student Ambassador. Outside of school she is involved in her church's High School Ministry and enjoys listening to music, watching movies and spending time with family and friends. Lauren has been involved in competition dance for over ten years and has done print modeling and acting in a variety of commercials, shows and movies since the age of five. Fun fact, she even appeared on an episode of Sesame Street! She is honored to play the role of Jasmine; a dreamer who is strong, confident and kind.

Jillian Sullivan is a Freshman, here at DePaul. She didn’t think that she would be in a musical this year because of Covid, but she is so happy that was not the case! Acting is something that Jillian has loved for a long time, so being able to be the Narrator in her first high school musical is amazing! Something else about her is that she loves to play softball. Jillian has been playing for about 8 years now as a pitcher and a first baseman. Both of these things bring her so much joy and she is super glad that she is able to do them both at DePaul!
Skyler Weaver transferred to DePaul this year as a sophomore. She is an active member of DePaul voices and loves to sing. She also enjoys writing poetry and volunteering at her local youth ministry. Music has always inspired her and opened her eyes to the beauty of the world. More recently, with the help of her loving and supportive family, she has left her comfort zone and joined her first production. Skyler is grateful for this experience and someday she hopes to perform her own music.

Kasey is a Senior at DePaul this will be her third year participating in the school's musical performance. She has been actively participating in DePaul Voices and Music Ministry since her Sophomore year. Kasey has been in; into the woods and Mamma Mia and excited to be in Aladdin as Manal and a part of the Ensemble. Kasey will be attending Fairleigh Dickenson University next year and will be majoring in Health Studies and she is looking to pursue a career in the medical field.

This is Deana’s second production here at DePaul Catholic, having played Rosie in “Mamma Mia!” (2020). She is enrolled in DP Voices and actively participates in Music Ministry both this year and last. She is happy to be involved in Aladdin this year and be a part of the great experience this was. She thanks her mom and the rest of her family for always encouraging her to do her best.

This is Jacqueline’s first year as a sophomore at DePaul Catholic. She is so happy to have been part of the play. She has been acting since the age of 3 and has taken part in 10 musicals. She played the role of Ms. Darbus in High School Musical Jr. and even performed on an off Broadway stage at the age of 5. This year she is part of the Aladdin ensemble and is thankful to her family for their unending support.

Our Dear Deana,
As Maya Angelou once said,

"A bird doesn't sing because it has an answer, it sings because it has a song."

Thank you for your songs.
Love always,
Your entire Family!

Jacqueline,

While you joined the show only a few weeks ago, it’s been a brief but great run! You learned all your music in such a short time and held your own! Here’s to next year’s production!

All the best,
Mr. Monticello & Mr. Aquilino
